MEMORANDUM FOR: Director of Security

SUBJECT : Office of Security Statistical Report for
NOVEMBER 1964

1. The attached tables and charts reflect some of the activities of certain components of the Office during November 1964.

2. The statistics in the tables are compiled by the component concerned and refer to the current month.

3. The charts are prepared in this Office from the statistics in the tables and afford a means of comparing the various accomplishments, workloads, and activities from the beginning of the current fiscal year, to date.

4. The following are noteworthy items for the month:

✓ a. The Director of Security briefed the DCI and later appeared before USIB and presented the report of the Security Committee

approved the recommendations of the Committee which included: USIB support for allocation of sufficient funds to implement effective technical surveillance programs; proposed procedures for future finds; and a list of top priority matters to be considered by the proposed inter-agency mechanism for technical surveillance countermeasures when established.

25X1A6A

✓ b. The Director of Security appeared before the USIB on the Security Committee report to the Board concerning the review of procedures and standards for control of sanitization and downgrading of sensitive intelligence. The Board deferred action on this report until such time as the results of the current Security
